## STATE ROUTE 198 / 12<sup>TH</sup> AVENUE INTERCHANGE PROJECT LANE CLOSURES

The California Department of Transportation (Caltrans) in cooperation with Agee Construction announces scheduled lane closures as construction continues on the State Route 198/12<sup>th</sup> Avenue Interchange Project in Hanford within Kings County.

This \$23.7 million dollar project will reconstruct the existing interchange by adding a loop on-ramp to eastbound 198 and modifying existing on and off ramps to accommodate larger volumes of traffic. Construction is anticipated to be completed in Winter 2016.

**Lane closures beginning next week will be as follows:**

**Beginning, Monday, January 26<sup>th</sup> through Friday, January 30<sup>th</sup>, 2015, crews will be conducting alternating lane closures of the #1 lane (left lane) and #2 lane (right lane) of both eastbound and westbound State Route 198 at 12<sup>th</sup> Avenue from 6:00 a.m. to 6:00 p.m. each day. Lane closures may be left in place overnight for safety and equipment staging when necessary.**

**As part of this closure, eastbound 198 off ramp at 12<sup>th</sup> Avenue may be closed at various times during work hours.**

Caltrans would like to thank the residents, businesses and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please
